

ADJUSTABLE CABINET & CORNER MANTELS

Mantels Direct offers a selection of uniquely designed **Adjustable Cabinet and Corner Mantels** with adjustable openings. These mantels accommodate nearly all makes and models of vented gas, vent-free gas and electric fireboxes. Each design can be made in a variety of wood types and finish options. Accessory options include bookcase/TV tops and raised hearths. Side bookcases are available for cabinets only. Our cabinet and corner mantels feature openings that are adjustable in both width and height to allow for a range of firebox sizes.
